

# PRACTICALLY SOLD OUT!

Our two big announcements produced such a tremendous demand for the New

## Hoosier Kitchen Cabinets

that our allotment is practically all gone.

## The New HOOSIER

And the Famous Hoosier Plan

—\$1 Down—Were Compelling Factors

When the housekeepers learned they could still get the New Hoosier at the old price, and that \$1 down and \$1 a week, without interest or extra fees, would pay for it, they took practically all we had.

All we have left are a few samples, and this advertisement will probably dispose of those.

### There Will be No More

Until another shipment comes from the factory, we will have no more Hoosiers. And the factory is over-sold, behind in its orders, which makes the date of our next supply uncertain. Then, too, this next shipment will finish our allotment.

### After That the Prices Advance

Due to the increased cost of all raw materials used in the Hoosier, the factory has notified us that prices must be advanced when this sale ends.

Don't delay getting one of these fine Hoosiers to-day—while they last.

### FORESTERS AT LYNDONVILLE.

Heard Speeches from Several Parties and Inspected Forest.

Lyndonville, Aug. 3.—Theodore N. Vail, Horace Graham of Craftsbury, Amos J. Eaton of South Royalton, Ernest Hitchcock of Pittsford and W. R. Brown of Berlin, N. H., were among the speakers at the 13th annual meeting of the Vermont Forestry association held at Lyndon yesterday. Sixty fire wardens and foresters were present.

The state forest plantation, comprising 75 acres, and the Vail Agricultural school were inspected. The secretary, Roderic Olizendam of Woodstock, discussed the value of the association. State Forester A. F. Hawes of Burlington told of the progress of forestry in Vermont and Mr. Vail made a plea for large state forests for Vermont.

### The Playground League.

Calderara pitched for the North Barre team against the Lincoln campus team in the Playground league yesterday afternoon and held them to one hit, beating them almost alone by the score of 7 to 3. If the support behind Calderara had been clean and fast, the Lincoln team would not have had a show at any time; but errors behind him ran the score up to three, making it a close and exciting contest to the last inning. Slayton also pitched a good game for Lincoln campus but lacked the breaks in the pinches. The league standing is as follows:

| Avers street   | Won. | Lost. | Pct. |
|----------------|------|-------|------|
| North Barre    | 7    | 3     | .700 |
| Lincoln campus | 3    | 6     | .333 |

# Wash Goods

The kind that ladies want are selling very fast. Yes, more being sold than ever before. Hot weather has increased the demand. Nothing unusual to take a piece of Wash Goods from the express in the morning and have it all sold before the store closes at night. Our stock is being kept up in the very best shape. New goods by every express. If not here to-day you may find it to-morrow. New lot of Ladies' Neckwear by this morning's express.

### Black Cat Hosiery

NOTHING so enhances the charm of a dainty ankle as dressy Black Cat Silks, sheer as spun cobweb, perfect in their fast-clinging fit and reinforced at heels, toes and soles where the wear comes. All colors in exact shades to match gowns and shoes. Come in and see them.

We have always paid 10c per dozen more for our 25c Hose than other merchants pay for theirs. Conditions brought on by the foreign war have made it absolutely necessary that Black Cat manufacturers get a part of the advance in materials and extra cost of labor by advancing prices.

We have received notice from the Black Cat mill, asking us to price our 25c Ladies' Hose to 30c and 35c.

We have on hand a very large supply of Black Cat Hose, so for the present will stand between the people and high prices by holding 35c Hose at 29c per pair.

This applies to our old No. 19 with full rib leg. The greatest 29c value on the market. Prices on all kinds of goods will change very fast after Sept. 1 and continue to advance as the war continues. We will save you all that we can, even to the extent of cutting our profit.

Children's and Misses' Hose for the present at old prices, 25c per pair.

Silk Hosiery at 50c is one of the best Hosiery trades in our store—comes in black, white and colors. Ask to see Plume Brand Muslin Underwear and get acquainted with a better make of Underwear—better at the same price.

Mulish antipathy for the automobile was admirably exemplified on Cliff street yesterday afternoon. To the intense discomfort of many who aver that believers in an inherent equine aversion to motorized competition are merely nature fakirs, a draft animal owned by the Standard Oil company vented the spite of its species on a Studebaker touring car, the property of Aaron Gustafson, a well known Barre granite manufacturer. Returning to the shed from his home on Currier street, Mr. Gustafson was bowling easily along Cliff street when his car met a small boy leading a mule. With out so much as a signal to indicate that hostilities were on, the hybrid beast suddenly addressed itself to the task of demolishing the enemy and before the small boy could draw the animal to rein, it had smashed a headlight, jammed a mud-guard and driven home a couple of hoof marks in the side of the car. While Mr. Gustafson tarried to aid the boy in composing the beast, the youth explained that the mule had made belligerent passes at another auto down the road a piece. The granite manufacturer was inclined to take the attack in all seriousness, after surveying the damage done, and intimated that the oil people would have a chance to settle for the damage.
